Total Covered	1,409,100		
Kentucky	4,339,367		32.5

32 municipalities, or approximately 32.5 percent of Kentuckians, are covered by comprehensive ordinances.

ANR Definition of 100% Smoke-free: Municipalities with ordinances or regulations that include all *workplaces* (workplaces include both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses), that do not allow smoking in attached bars or separately ventilated rooms and do not include workplace size exemptions.

For more information, contact the Kentucky Center for Smoke-Free Policy, 859-323-4587 or www.kcsp.uky.edu
